

PROJECT PROGRESS

October 31, 2013

Open House: Wilson and Company began work on the Camp Creek project September 2013. One of the first tasks was to hold a public meeting October 22, 2013 to explain and outline the broad goals of the project and solicit ideas and information from public and private stakeholders. Handouts and maps from the open house are available at www.springsgov.com/campcreek.
